Group Concerns:

Magic City: If the R.S.O closes what is the plan for the current lease. How will the debt currently owed by the R.S.O be repaid to NAWS? And Magic City would like to see the financial reports used to make motion 102112-02 because we believe the information portrayed in the intent is incorrect. We would like to see a copy of the current lease between R.S.O and the leasor.
